

DELHI PUBLIC SCHOOL, BIJNOR

(Under the aegis of DPS Society, East of Kailash, New Delhi)

Dear Parents,

Greetings of the day!

This is to inform you that Urban Dukaan Canteen is providing the facility of fresh homemade healthy lunch during break time in school for the convenience of parents and students.

The monthly rates are specified as per the classes.

It is a common practice for the students to come to school without doing breakfast. In their tiffin box also, they bring junk items/stale food of last evening. The food does not remain fresh by the lunch time. To solve these daily problems faced by the parents and students, DPS Bijnor has tied up with Urban Dukaan Canteen for providing fresh meals during lunch time to students.

In case you are interested in subscribing for getting healthy, hot and fresh meal for your child during lunch break, you can contact on 09258043530.

Parents can also visit the canteen during PTM and discuss it further.

Regards,

Principal
